

AUGUST 2024 NEWSLETTER

Physical Therapy 6.5 years ago. We thank him for his dedication and hard work. He has impacted thousands of patients and families, colleagues, and his community. Mike has built many long-lasting and strong relationships and had quite a loyal patient following and lasting bonds with his teammates. He was always kind, selfless, compassionate, and humble. He took pride in his career and was born to serve others, but more importantly, his family was always number one. It is now time for

him to fully focus on his family. Mike will be deeply missed at Hulst Jepsen Physical Therapy, but his impact on all of us will last forever. Best Wishes in your retirement and the next chapter in your journey! EET OUR NEW THERAPIST
