**ON WEDNESDAYS
WE WEAR PINK**

On Wednesdays we wear PINK! Join us for Pinktober by wearing pink every Wednesday in October to continue raising awareness about breast cancer while showing support to our neighbors currently battling cancer.

SELAH-EMPOWERS.ORG

October is Domestic Violence Awareness Month, and at Hulst Jepsen Physical Therapy we believe in treating the whole person and getting our patients the care and resources they need.

Are you in a relationship that leaves you feeling anxious, confused, or even fearful? Does your partner put you down, isolate, manipulate, threaten, or hurt you? Have you lost touch with who you are? These are all signs of relationship abuse. It is never okay to be treated this way.

Selah Empowers offers FREE resources, education, and support that will bring clarity and validation to your situation.
